Seasonal Festival: All squads that apply to play in Region One must attend all Seasonal Festivals to ensure that each roster gets to play the other rosters within the program and to attempt to prevent playing the same roster more than twice.

Fixture Festivals will allow squads from other Districts to take part in a One Day Festival along with Region One Squads. Depending on Club registration for these festivals we may run three tiers to attempt to provide equal levels of play. Region One Squads will have a reduced rate to attend these Festivals.

Skills / Coach Festival will be hosted by the Technical Directors and Club Head Coaches of Region One Clubs. Attendance will be required for all Region One Coaches and open to all other Coaches. The length of this Festival will be determined once the Technical Directors have produced its content. It is anticipated that all squads from the hosting District will attend along with any players from other Region One Squads that wish to attend. There is no fee for this Festival.
