Subject: CTMS Feedback Request

In March of 2016, Ontario Soccer launched a new online portal for team travel and competition management - the Competition and Travel Management System (CTMS). Found at ctms.ontariosoccer.net, this website is the application and approval point for all of the competitions in Ontario and team travel throughout Ontario and globally.

This updated management system hosts Tournament Application Forms, Festival Application Forms, Application to Travel Forms, Application to Host Exhibition Games and International Transfer Certificate Forms. It also host the Tournament Directory for all sanctioned tournaments and festivals in the province.

In order to improve the system, and its current functions, your feedback is required.

Ontario Soccer is asking its users to complete a short satisfaction and usage survey.

Due to the variety of use, there are two surveys – one for Club, Academy, and District Administrators, and one for Team Officials/Volunteers.

The survey should take 5 minutes to complete and can be accessed via the following links:
