

EMSA ATHLETIC TRAVEL GRANT GUIDELINE

PURPOSE

To acknowledge and support financially the important contribution of teams representing the District in Canada Soccer National Championships.

The support program rests on the availability of resources and support will be granted depending on our ability to do so.

The Athletic Travel Grant Guideline only supports teams that qualify for competition in the Canada Soccer National Championships.

NATIONAL CHAMPIONSHIPS

EMSA will establish an annual budget to assist teams that qualify for competition in the Canada Soccer National Championships. The funds will be divided among the qualifying teams to be used to offset team costs of participation. The maximum contribution available to all applicants will be established by the EMSA Board on an annual basis. This guideline is subject to annual review by EMSA Board of Directors.
