Subject: **2022 Ontario Soccer Summit - Planning Survey Needs Your Valuable Input**

The global pandemic has completely transformed the youth and amateur sports landscape across Ontario and Ontario Soccer is pleased to see meaningful progress towards the rebuild and recovery of our beautiful game.

As part of this recovery process, Ontario Soccer are seeking to understand how our various programs and services will continue to best serve our membership going forward.

As part of that due diligence review process - and in order to assist us with our planning efforts for the 2022 Ontario Soccer Summit in Ottawa (February 26-27) - Ontario Soccer has created an online survey, in which, members may offer important feedback about their future Ontario Soccer Summit plans.

The responses from this this survey will help Ontario Soccer make data-driven decisions around the preparation of this event. Member feedback of this nature is critical to the Ontario Soccer Summit's success.

The survey can be accessed here and should take approximately 5 minutes to complete. The survey is open until August 25, 2021 at 4:00 p.m.

Thank you for your feedback.
