**Subject:** Upcoming C Licence Courses

Ontario Soccer is pleased to announce the date and location of two upcoming C Licence courses.

The focus of the C Licence is on the individual player in the different contexts of the game, as we try to develop their decision making and build their level of execution. Coaches learn to develop their sessions based on the players they have and their developmental objectives. They learn to devise, organize, conduct, and evaluate coaching sessions in basic skills, tactics, and strategies.

Coaches who obtain a C Licence Certification will have the qualifications to be a Head Coach in some Regional Leagues, the OASL, and an Assistant Coach in the OPDL.
