Subject: Government of Ontario announces new public health measures

Ontario Soccer continues to work in consultation with the Government of Ontario, through the Ministry of Heritage, Sport, Tourism and Culture Industries as we communicate important government directives and updates related to the current global pandemic.

The Government of Ontario [announced on Dec. 10, 2021](#) that it is introducing new public health measures, in response to the recent status of the COVID-19 pandemic.

As part of those measures, effective December 20, 2021, the Government of Ontario will now require proof of vaccination for youth aged 12 to 17 years who are participating in organized sports at recreational facilities.

Ontario Soccer will update the [Return to Play Guide](#) as soon as possible.
