

**Vancouver Whitecaps FC  
Male Player and Parent Education  
May 27<sup>th</sup>, 2020**

As a club, our mission is to Unite and Inspire Our Communities. Over the last few weeks, we have really been connecting with our players through our online content and sessions. We feel now is also a great time to connect with parents and players to review our development philosophy and pathway as well as giving families a chance to have their questions answered. We are pleased to announce that we will be hosting a male player and parent education session for all families in our programs or who are interested in joining or programs.

The first session will be led by Craig Dalrymple our Player Development and Academy Recruitment Director and will focus on our male player pathway, our development philosophy, and insights into our MLS Academy.
