

## **EMSA Treasurer**

**Nominee: Brent Ashby**

Greetings EMSA members and I hope all are doing well and staying healthy in these interesting times.

I have accepted a nomination to return to EMSA as Treasurer for the next term. Please see below a brief resume as it relates to the position and my vision of EMSA's role.

### **Related Experience**

Certified Public Accountant for over 20 years

Held the role as EMSA Treasurer from 2011 to 2018

Previous administrator roles with several London soccer clubs

Have been treasurer for numerous not for profits over the last 30 years

Currently employed in accounting and taxation

### **My thoughts on EMSA's Role in the District**

EMSA should be responsible for the governance of its members and the roll out of any new or changed OS programs

Leagues should run leagues and clubs should run their clubs

EMSA is the resource clubs or leagues can turn to for assistance with OS or EMSA programs

EMSA is there to serve and assist their members

If you feel I have the qualifications and that my perspective of the role of EMSA aligns with yours, then I would appreciate your support at the AGM in September.

Thank you!
